OBJECTIVE

Dedicated Computer Science & Engineering (Artificial Intelligence) student with strong interest in Java backend development. Looking for opportunities to apply my programming skills in Java, databases, and machine learning while learning modern full stack technologies and software development practices.

EDUCATION

Sri Vasavi Engineering College, Tadepalligudem | 2023 - 2027
B.Tech in Computer Science & Engineering (Artificial Intelligence)
CGPA: 7.3 / 10

Sasi Junior College, Nidadavole | 2021 - 2023
Intermediate (MPC - Mathematics, Physics, Chemistry)
Percentage: 90.4%

TECHNICAL SKILLS

Languages: Java (Core & OOP), Python, C, JavaScript (ES6+), HTML5, CSS3

Databases: SQL, DBMS (Database Management Systems, relational queries)

Version Control: Git & GitHub

AI & ML: Machine Learning models, regression analysis, predictive modeling

Frameworks/Tools: Spring Boot (Learning), Vite, Vanilla JS

KEY PROJECTS

Property Price Prediction | Python & Machine Learning
• Created a predictive analysis model to forecast real estate values.
• Built with Python using regression models, data cleaning, correlation matrices, and feature engineering to maximize score accuracy.

Tic Tac Toe Game | Java & OOP
• Developed an interactive classic game using Core Java concepts and state management.
• Implemented algorithmic turn-decisions, clear UI/console rendering, and object-oriented program structure.

CERTIFICATIONS

- **Oracle Cloud Infrastructure 2025 Generative AI Professional** — Issued by Oracle University
- **Salesforce Agentforce Specialist** — Issued by Salesforce Trailhead Academic

STRENGTHS

- Good communication and interpersonal skills
- Strong team leadership ability and initiative
- Highly adaptive, quick learner and passionate algorithm solver
- Analytical approach to problem-solving and cyber logic

INTERESTS & LANGUAGES

Languages: English (Professional Working Proficiency), Telugu (Native / Mother Tongue)

Interests: Backend engineering, database systems design, watching technical tutorials, improving competitive coding skills.
